

# Cookie STATEMENT

At Danone, we want to be open and transparent in the way we use cookies and what this means for you. Some of the cookies we use are essential for the functionality of our website but there are also cookies that you can opt out of or block.

We strive to provide you with sufficient information on the cookies we use so you can make an informed choice on the information you share with us.

If you have any further questions or comments, feel free to contact us via our [contact page](#).

## What are cookies?

A cookie is a small file saved on your computer or mobile device. It has a unique ID assigned to your device and enables the website to remember your actions and preferences (such as location, language, font size and other display preferences) over a period of time. That way, you don't have to keep re-entering the information whenever you come back to the website or browse from one page to another. Cookies can also help customize your browsing experience.

Not all cookies contain personal information but where they do, we will treat this information as personal data in accordance with our [privacy statement](#). We also treat cookie information as personal data where it is associated with your account or other contact information.

## Types of cookies

There are two broad categories of cookies: persistent cookies and session cookies. Persistent cookies remain on your device until deleted manually or automatically. Session cookies remain on your device until you close your browser and are thereby automatically deleted.

## Why do we use cookies?

Generally speaking, there are a few reasons why we may use cookies:

- Cookies that are strictly necessary for the website to function and to enable you to make use of the services we provide;
- Cookies that collect data related to the use of our website and the performance of it. We use this information to improve our online products and services;
- Cookies that we use to personalize and optimize your experience on our website. These cookies store information on your choices such as text size, language and screen resolution.
- Cookies that are placed by third parties for enhanced services (such as social media cookies) or for advertising purposes.

Please see below for further information on the types of cookies we use.

### Strictly necessary cookies

These are cookies that we need to be able to offer you a proper functioning website and which enables you to make use of the services we provide.

If these cookies are blocked, you will not be able to make use of our website. We have only one strictly necessary cookies: AWSELB, TCID and tCdebugLib.

## Analytics and performance-related cookies

These cookies help us measure traffic patterns to determine which areas of our website have been visited. We use this to research a visitor's habits so that we can improve our online products and services. We may log IP addresses (that is, the electronic addresses of computers connected to the internet) to analyze trends, administer the website, track users' movements, and gather broad demographic information.

These cookies are not essential to the website and we will always ask for your consent before placing these cookies. You can withdraw your consent at all times. See more information [below](#) [privacy center](#).

| Purpose  | Type of data collected   | Cookie name                               | How long is the cookie stored?                |
